<sup>^</sup> Note that earlier PHL seasons contained less games and therefore players whose careers started earlier had less opportunities to score in all career categories.

<sup>\*</sup>During the first season of the PHL singles were not recorded, therefore total career points and total career singles numbers for Cas Santos and Pat Dooley are shown lower than what they actually threw as a complete season's worth of these points were not recorded.

<sup>•</sup>During the first few seasons of the PHL doubles stats were not recorded, therefore total career doubles stats shown are lower for all three players as multiple seasons' worth of doubles were not recorded.
